

MAGA Rule Modifications

- Flyaway off of the low bar will be given credit as a Superior dismount.
- Pop up/Squat on, Handstand fall off of vault is a 5.0 start value
- 2.0 Minimum Score (Even if a void)
- Plywood can be used under the springboard to mount bars or beam (All age groups)
- Manufactured spotting block may be used in place of a spring board for mounts on bars and beam (All age groups)
- For novice and children age groups, a spring board may be placed on top of a single panel mat for mounting on beam only.
- If used, the panel mat, plywood, and/or spring board must be removed from the competitive area after the gymnast mounts.
- For Novice and Children age groups, there is no low height requirement for the beam or vault as long as it can be locked in
